Grade 7

Choose five (5) electives. Rate your choices with the numbers 2, 3, 4, 5, 6 with 2 being your first choice and 6 being your least desired option. Option 1 is pre-selected as a mandatory elective for all students.

If you are a magnet student, be sure to include the magnet elective as your top choice and then proceed to choose and rate four additional electives.

The number of elective courses you will receive depends upon space availability, offerings and required intensive courses We will make every effort to honor your electives in priority order. However, due to the availability of classes and the final development of the school's master schedule, you may be placed in ANY of the courses you have selected.
